

At United Way of Grays Harbor, we respect, value and the celebrate the unique attributes, characteristics and perspectives that make each person who they are. We also believe that bringing diverse individuals together allows us to collectively and more effectively address the issues that face our communities. It is our aim, therefore, that our Board of Directors, staff, volunteers, partners, strategies and investments reflect these core values.

With a commitment to diversity, innovation and inclusion will be maximized, respect & dignity will be evident, and each person's value will be recognized.
